## Objectives

1. Trace the history of nursing regulation in South Dakota and recognize the important role frontier nurses played in shaping nursing in our state.
2. Examine how NCSBN's licensing exam will change to reflect the knowledge and critical thinking skills needed in the future.
3. Discuss three current regulatory issues impacting nursing practice today.
4. Explore the impact of past nursing regulatory decisions on our current nursing practice and recognize how decisions made now influence future nursing practice.

## Commemorative Medallion

Thanks to sponsorship from Sanford Health, the Board of Nursing commissioned a beautiful bronze silver plated medallion to reflect 100 years of nursing presence in South Dakota. This 1 1/2-inch diameter medallion is perfect to wear as a pendant (chain not included). **Medallions are available with registration and may be picked up at the event.**
